

No. : STV (IT) Store/Auction- 292

Date: 24/01/2026

To

NOTICE BOARD
Govt. ITI, Shimla.

Subject: - Regarding Auction of E-waste articles.
Sir/Madam,

With reference to this office letter no STV(IT)Store/Auction- 184 dated 12.01.2026 issued earlier regarding the auction of E-waste material, it is submitted that the last date for submission of sealed tenders was fixed as 24.01.2026 at 3:00 PM.

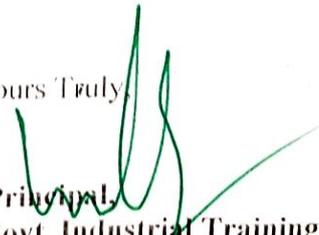

However, no tender / quotation were received in this office from any authorized E-waste recycler up to the stipulated date and time. Therefore, the auction process could not be materialized.

In view of the above, it has been decided to re-issue the auction notice by extending the last date for submission of tenders to 29.01.2026 at 3:00 PM, so as to provide another opportunity to the interested authorized E-waste recyclers to participate in the auction process.

The tender / quotation may be submitted either in sealed cover or through official email. In case of submission through email, the quoted rate must be sent in a password-protected file, and the password shall be shared separately at the time of tender opening, as and when asked for.

The E-waste material shall be auctioned on "as is where is basis", and interested authorized recyclers may inspect the material physically at the institute during working hours prior to submission of their bids. You are requested to participate accordingly as per the revised schedule.

Yours Truly,

Principal,
Govt. Industrial Training Institute,
Shimla, District Shimla (HP)-05
